WCBS Blue Lifestyle Minute

By Anthony Dias Blue

Dreaming of the vineyard life? I'm Anthony Dias Blue with the Blue Lifestyle Minute sponsored by CUISINART. Well, I can't buy you a trip to Tuscany, but I can recommend a great book that will transport you there.

Passion on the Vine is the memoir of famed Italian-American Wine merchant Sergio Esposito. Esposito reveals the character and spirit of Italy through his accounts of the world of Italian wine and food. *Passion on the Vine* is available on Amazon.com. I'm Anthony Dias Blue sponsored by CUISINART—fine small appliances and cookware. This is the Blue Lifestyle Minute on WCBS 880.
