Book Nook

Books for wine lovers

By Vick Mickunas

Books are random things so I am always amazed at how often a batch of books on related subjects comes out at the same time. It has happened again.

Three lovely new wine books just appeared like a cluster of succulent grapes. Yum!

Another exquisite wine book takes yet another approach. **PASSION ON THE VINE—A Memoir of Food, Wine, and Family in the Heart of Italy** (Broadway Books) by Sergio Esposito describes a nostalgic journey through this wonderful land where food, wine and laughter merge, Viva Italia!
